

PROJECT AGREEMENT

This Project Agreement ("Agreement") is made and entered into on the 5th day of June, 2025, by and between:

CodeCafe (hereinafter referred to as the "Service Provider"), an IT services company, and Naresh Chandra Soni from Jodhpur (hereinafter referred to as the "Client"), the owner and representative of the project "VMC (Vimla Mani Centre)".

1. Project Overview

The Client has engaged CodeCafe to design and develop a web-based platform named VMC (Vimla Mani Centre) — an e-commerce-style solution aimed at enhancing their business through online support.

2. Scope of Work

The Service Provider agrees to design, develop, and implement the VMC platform, which includes:

- UI/UX design following the provided design guidelines and color codes.
- Frontend and backend development using the latest technologies.
- Integration of content, to be provided by the VMC team.
- Testing and bug fixing.
- Deployment of the final version after testing.

3. Technology Stack

Frontend:

- ReactJS — component-based UI development
 - Tailwind CSS — utility-first CSS for rapid design
 - Ant Design CSS — enterprise-level UI components
-
- Additional modern frameworks for efficient and responsive UI

Backend:

- ExpressJS — Node.js backend framework
- MySQL — relational database
- Socket.io — real-time communication
- Firebase — authentication and cloud messaging
- Nodemailer — email notifications
- WhatsApp API Chatbot — client/admin communication

Testing:

- JIRA — task and bug tracking
- Manual Testing — functional and UI testing

Deployment:

- VPS server from Hostinger
- Type: KVM2 VPS
- RAM: 8 GB
- CPU: 2 Cores
- Storage: 100 GB
- Duration: 24 months
- VPS Cost: ₹13,000 (paid by Client)

4. Project Fees & Payment Terms

- Website Development Fee: ₹60,500
- Advance Payment (70%) before project initiation: ₹42,350
- Payment upon completion of development (20%): ₹12,100
- Payment upon final deployment and approval (10%): ₹6,050

Note: The VPS server cost of ₹13,000 for 24 months is separate and will be handled directly by the Client.

5. Timeline

- Development Period: 1 month from the date of signing this Agreement.
- Testing Phase: 15 additional days allocated for testing while the project is running.

6. Responsibilities of Both Parties

- CodeCafe shall be responsible for the complete development, design, testing, and deployment of the project.
- Client (Naresh Chandra Soni) shall provide necessary content, feedback, and timely approvals during all phases.

7. Ownership and Rights

Upon full payment, the Client shall retain complete ownership of the VMC platform. CodeCafe reserves the right to showcase the project in its professional portfolio.

8. Confidentiality

Both parties agree to maintain the confidentiality of all proprietary and sensitive information shared during the course of this project.

9. Termination Clause

If the Client fails to make payments as per the agreed terms, CodeCafe reserves the right to terminate the project.

If CodeCafe fails to deliver the project within the stipulated timeline, the Client may terminate the agreement with prior written notice.

10. Signatures
